

THE HIGHLANDER

PIKEVILLE COLLEGE

THE HIGHLANDER

1962

FOREWORD

Pikeville College is only a small part of the United States and of the state of Kentucky, yet there are within this area all the things that make the country and state great. Pikeville College is the training ground for tomorrow's citizens. It is here they learn the concepts and traditions that have made possible the growth of our country, so that when they leave they will be citizens of the United States and Kentucky even as they have been citizens of Pikeville College.

As the pages of this the 1961 HIGHLANDER unfold we would like to show you by words and pictures how we live, we learn, we grow, and we love.

WE
LIVE

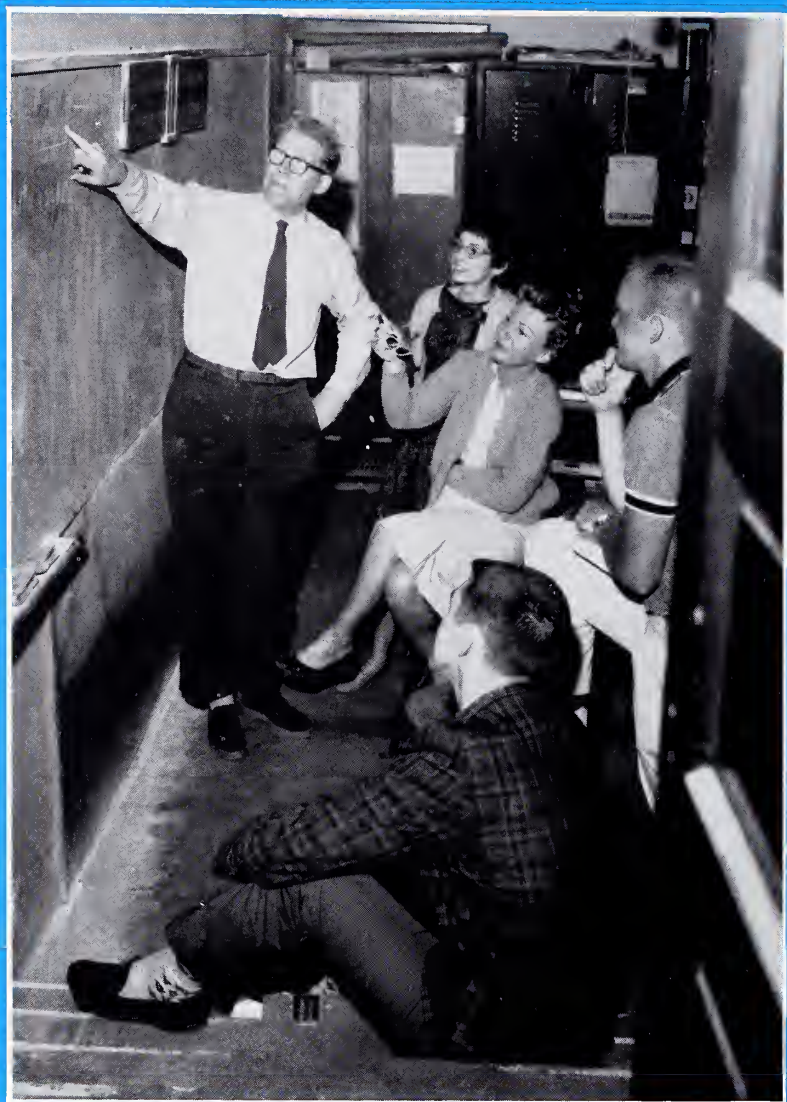

Life on a college campus has many facets —the friendliness of "The Luncho," the closeness in the dorms, the thrill of May Day, the excitement of Homecoming, the confusion in the corridors, and the competition on the tennis court. This is the way we live.

WE LEARN

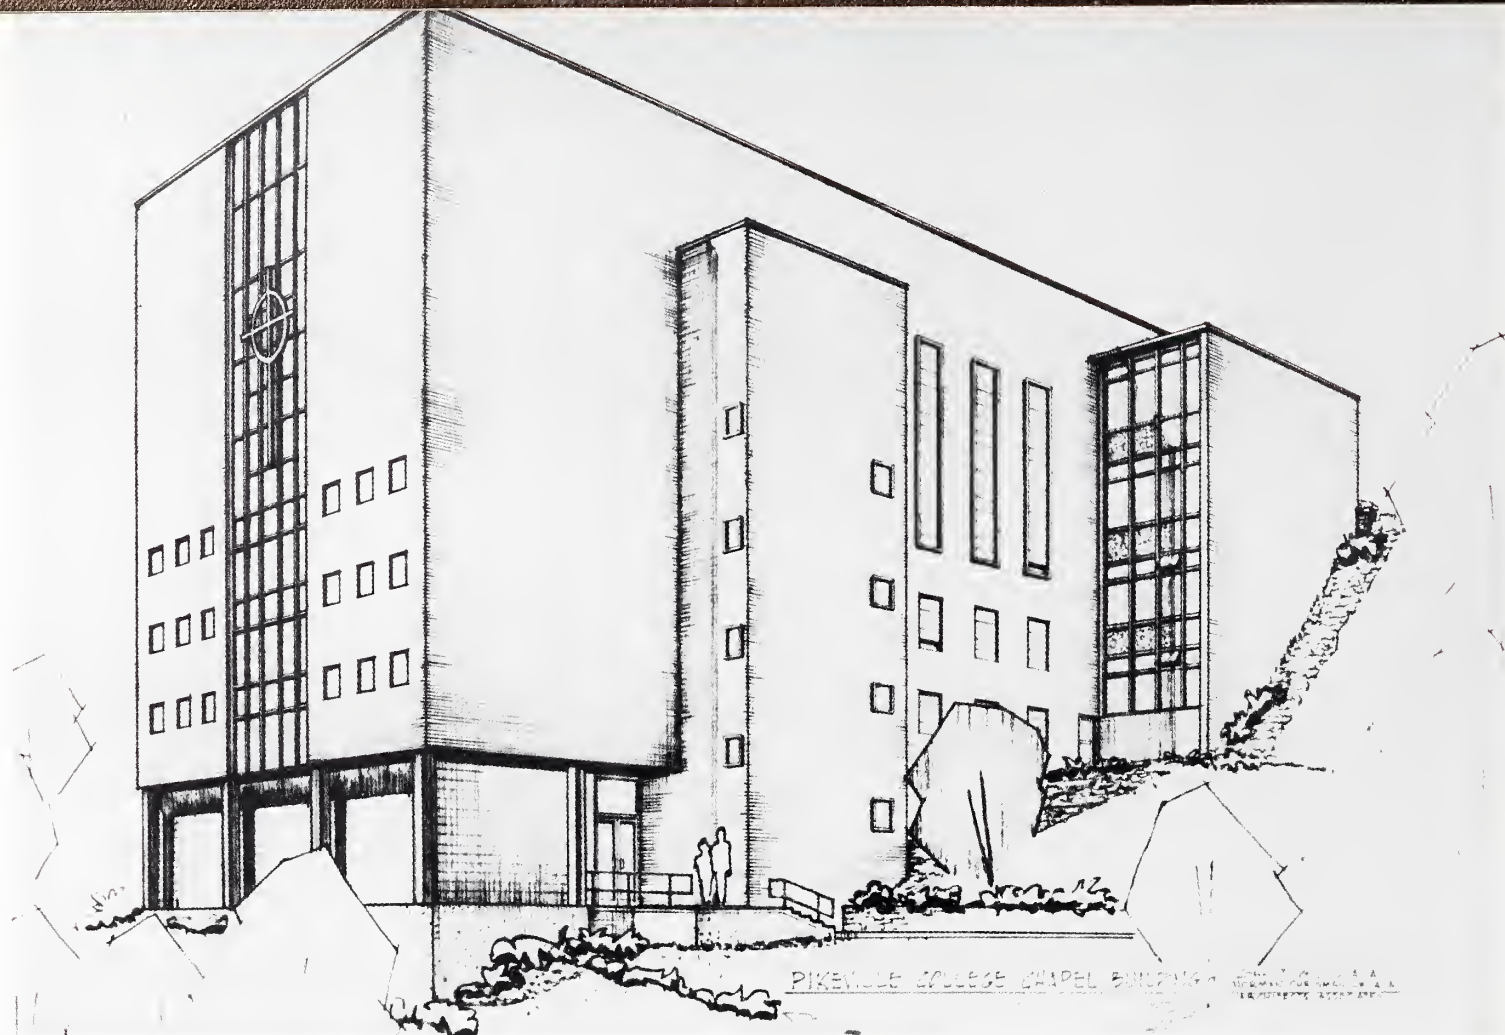

The quest for knowledge does not end in the classroom but extends to all phases of our lives.

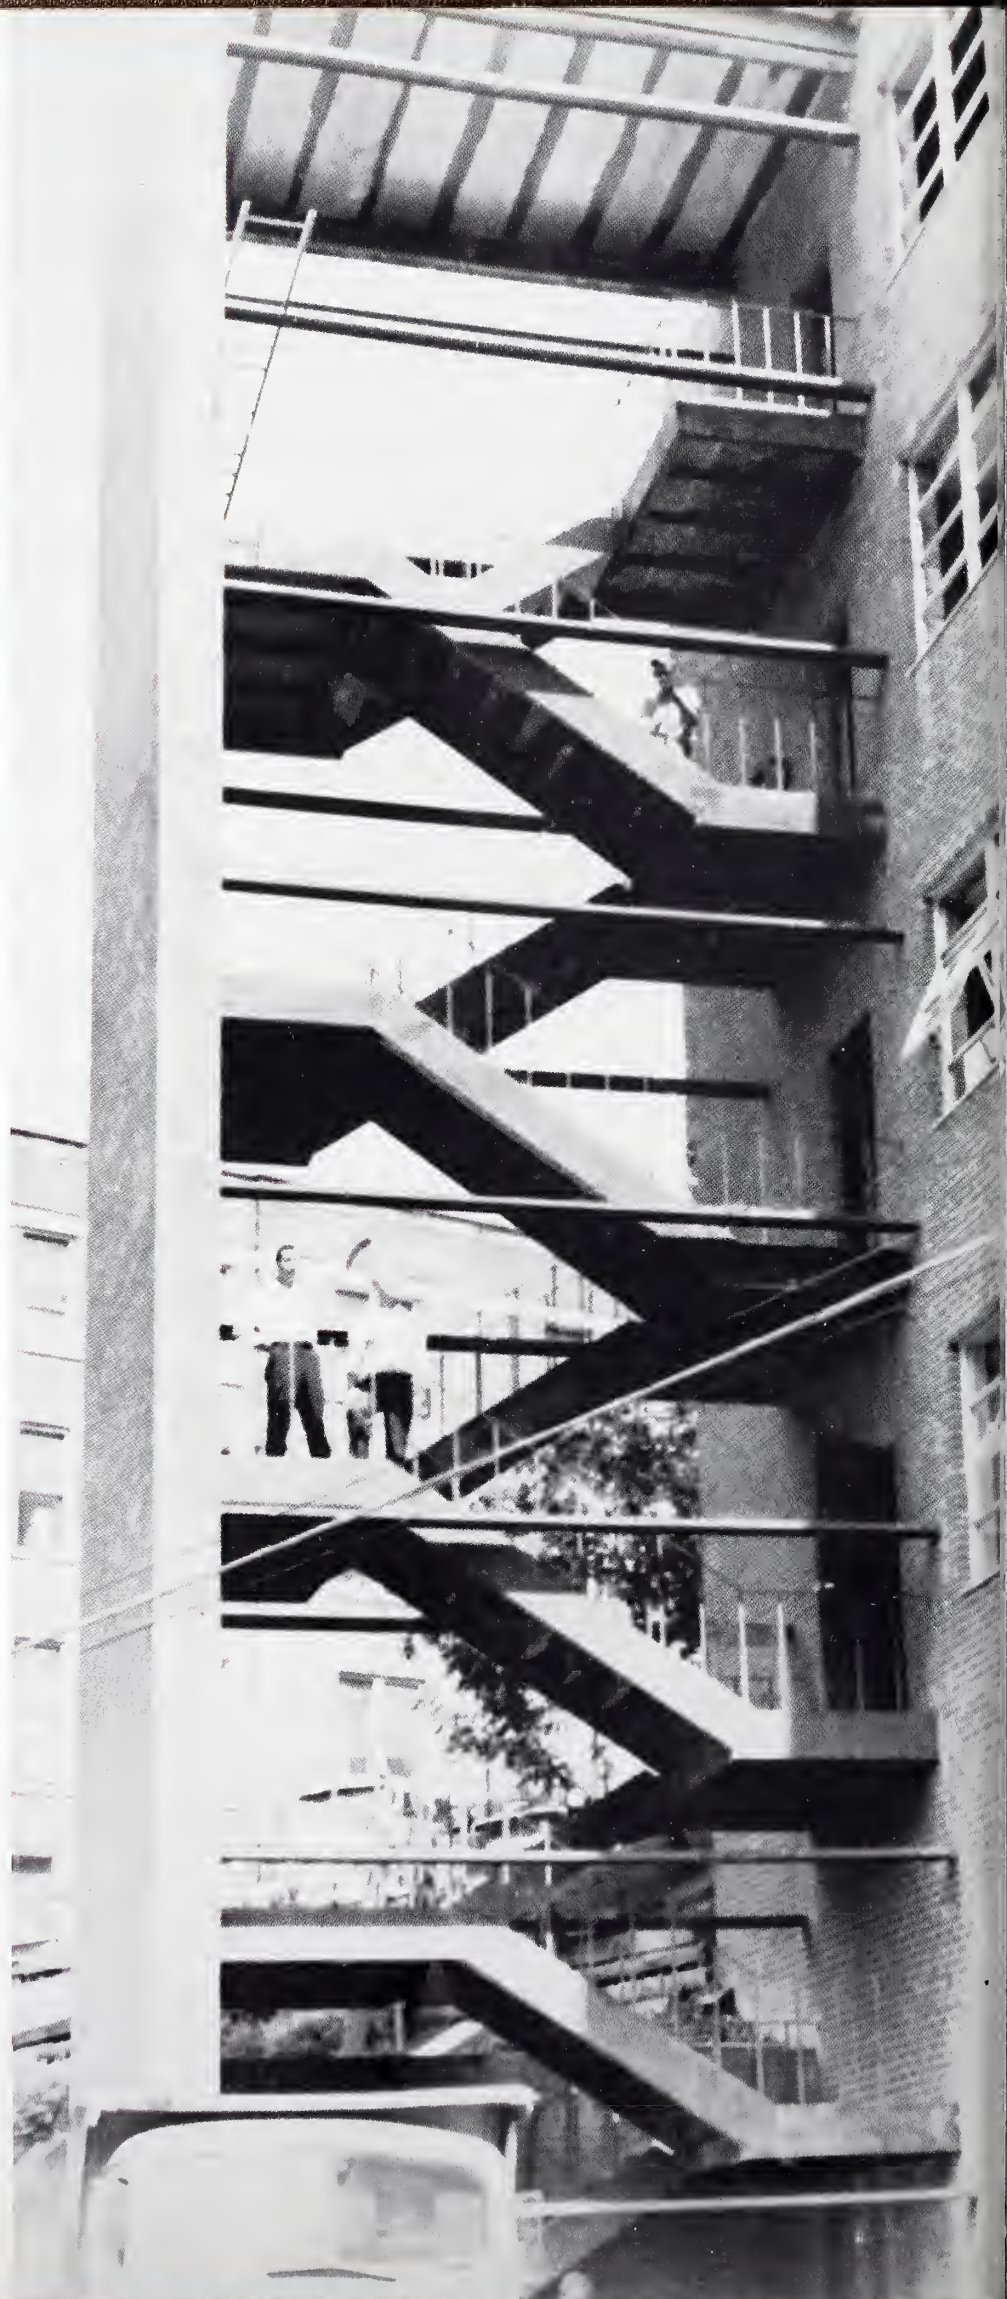

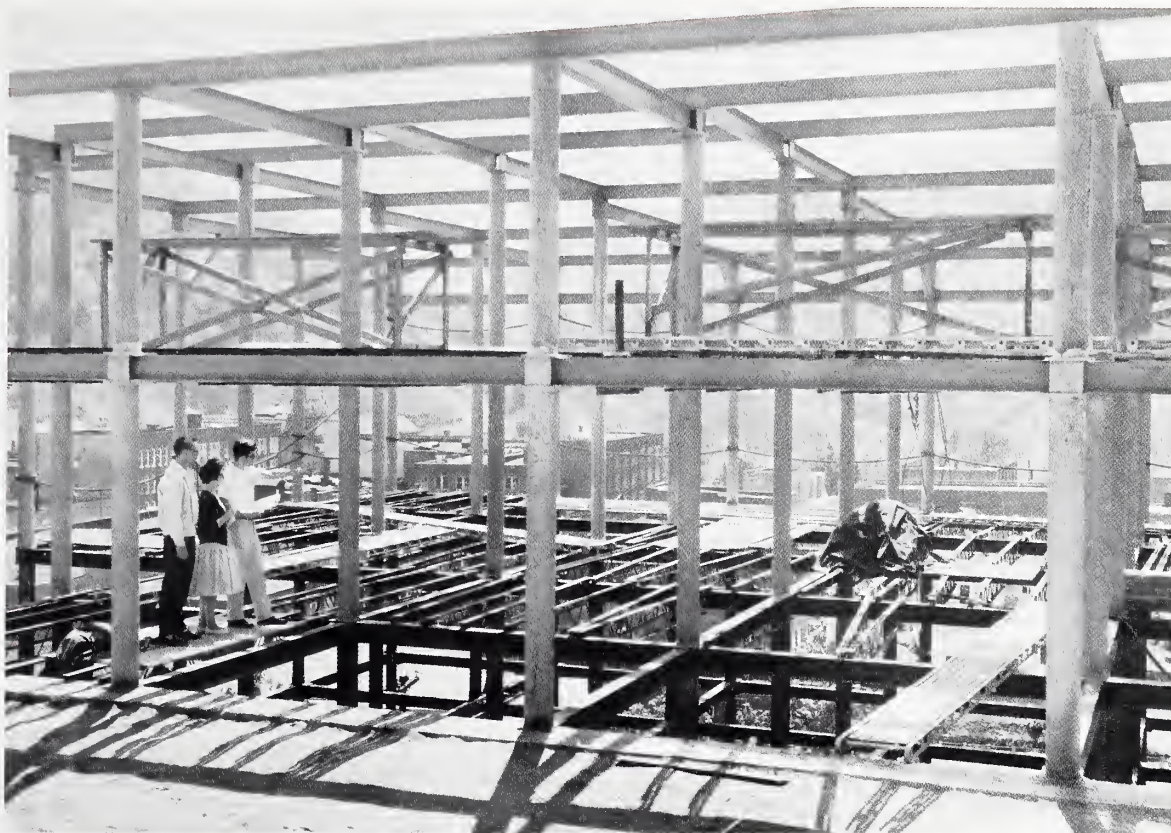

WE GROW

What started as a dream has finally come true for Pikeville College as we see our Chapel-Library Building tower into the sky. We watch with pride our Student Activities Building and dormitories nearing completion, we realize we are an integral part of a growing college.

ADMINISTRATION

DR. A. A. PAGE

THESE ARE THE MEN BEHIND THE SCENES DIRECTING AND DEVELOPING OUR COLLEGE

These men are the ones chiefly responsible for improving the educational facilities of Pikeville College. Many are the times that they have worked into the late hours of the night discussing important matters which will be of great concern to all of us. Not only are these men busy on our campus, but in church and community affairs.

ZATIONS

PEACH ORCHARD PLAYERS

"I'm from Brazil, where the nuts come from."

"I really must be going."

For would-be actors the Peach Orchard Players provides their dramatic outlet. During the year several one-act plays are presented and last year's revival of the classic farce "Charlie's Aunt" was as funny as ever. The players hope to see an increase in number and activity when the new chapel stage becomes available for productions.

"Hey!!! That's my eye."

There is room in this modern age for originality, freedom of expression, and genial companionship. Members of the Parnassus Club find all of these in their bi-monthly meetings, under the guidance of Miss Talma Haney. Programs are planned and presented entirely by members and may include the reading of favorite passages; listening to recorded poetry; discussions of varied topics; or criticism of original writing by students. The club is primarily for English majors, but there is always a welcome for anyone who enjoys sharing good times in literature with others.

Shakespeare said that?

PARNASSUS CLUB

RECORD STAFF

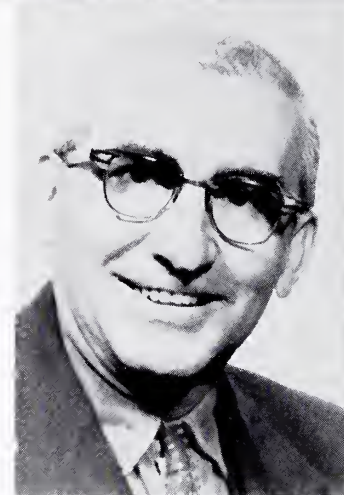

"*The Record*"—the official student newspaper of the college—is published each week while school is in session, as a featured section of *The Pike County News*. "*The Record*" has been published in this way for the past two years.

This year, for the first time, academic credit of one hour per semester has been given on an experimental basis to the members of the staff. This means that the work done by staff members has been graded—the same as would be the case in any regular course in composition, which, indeed, work on the student paper is.

Copies of "*The Record*" have been made available free of added charge to all *bona fide* students; that is, it is a Student Activity Fee service, the same as is true with attendance at home games, attendance at Concert Association programs, and the like.

The publishers of *The Pike County News* have maintained a policy of leaving matters of editorial content in "*The Record*" strictly up to the staff and advisers from the college.

NATURE CLUB

The Nature Club members are having fun because of the interesting things they do.

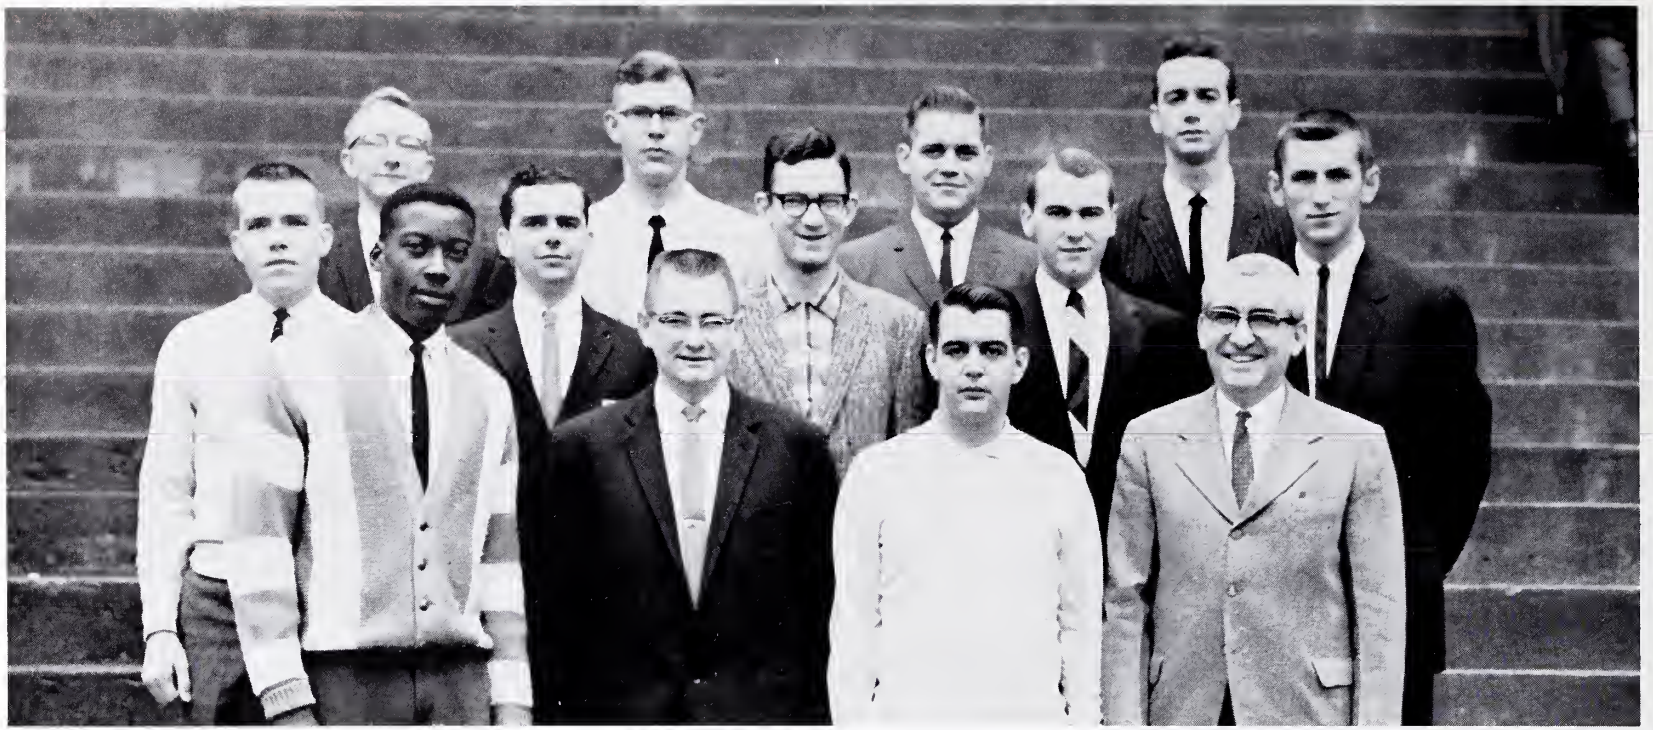

Nature Club minutes record two trips to Breaks Interstate Park, several movies pertaining to Nature, a trip to the College Farm, making floats, Harvest Moon Dance, talks about Nature by the members, sponsors, and Miss Spilman.

CHRISTIAN FELLOWSHIP

Seeking a better understanding of Christ and the Christian faith, students join together in Christian Fellowship. Here we find quiet and meaningful experiences. Varied programs include speakers, panels, and discussions. Selling Christmas cards and candy are two money raising projects. Parties and other times of fun are also a part of our activities. Christian Fellowship helps all to develop spiritually and to take our faith into all of life.

BUSINESS CLUB

Purposes of this club are:

- To promote the interest of college business students;
- To elevate the standards for men and women in the businesses and the professions;
- To bring about a spirit of cooperation among business students everywhere in the United States;
- To extend opportunities to business students through education in industrial, scientific, vocational and business activities.

HIGHLANDER STAFF

This year's Highlander Staff has worked hard and long to put out an entirely different yearbook. We hope you, the reader, enjoy your Highlander as much as we have enjoyed editing it.

Have you noticed the new cover on your Highlander?

We hope you will express your thanks to Sue Ann Sexton who designed it. The staff is proud of the cover and the artist for her fine work. Sue Ann's design was selected from many that were submitted by Mrs. Weber's art classes in competition to select a distinctive design for this year's book.

TIES

Majestic in their splendor, the Breaks Interstate Park is often called "The Grand Canyon of the South." This park, with its scenic beauty, hiking trails and pleasant picnic spots is a favorite recreation area for Pikeville College students and faculty.

OUR PRESIDENT'S LADY

She is president of Ebenezer Presbyterial. Represents women of church at cornerstone laying.

"She openeth her mouth with wisdom; and in her tongue is the law of kindness.

She looketh well to the ways of her household, and eateth not the bread of idleness.

Her children arise up, and call her blessed; her husband also, and he praiseth her."

Prov. 31:26-28

Pikeville College firmly believes in training of the body as well as the mind and therefore makes appropriate provisions for the physical development of its students.

The "Bears" are a member of the Kentucky Intercollegiate Athletic Conference and always rank well above average with teams of other colleges in the conference.

Pikeville College maintains intercollegiate athletic competition in basketball, baseball, golf, and tennis. The program is so arranged as to allow participation in more than one varsity sport and further affords the athlete four years of varsity competition.

ATHLETICS

Paul Butcher, a graduate of Pikeville Junior College, holds the Bachelor of Arts degree from Morehead State College. Before coming home to Pikeville College, Coach Butcher previously was mentor of Meade Memorial High School, where his Red Devils won 32 successive games. In three years as Head Coach of the Bears, his teams have compiled a 56 won, 33 lost, against stiff competition.

In the past two years his teams have advanced to the final position of the NAIA play-off only to be beaten by 3 points in two games. In his first season his team lost to Villa Madonna College in an overtime. The second season his Bears lost what many spectators, radio announcers, and one referee thought should have ended 72-72.

This years KIAC Tournament saw the "Bears" bow to Villa Madonna in the first game.

Coach Butcher won an honor when he tied for the KIAC "Coach of the year" for 1961-62.

BEAR FACTS

The 1961-1962 editions of the Bears was dealt a severe blow when Little All-American Donnis Butcher decided to join the pro. ranks. The rest of the squad showed real spirit and considerable ability, the team ended the season with 16 victories and 8 defeats in regular season play. In the KIAC the record was 8 and 4 with a second place in the conference. Sprained ankles plagued Blevins and Campbell, with Pete missing two games and Blevins out for a month. Campbell led the individual scorers with 20.6 average per game, Hunt 11.0, Elliott 7.9 and Blevins 7.0.

Freedom Isn't "Free"

Our graduates have an opportunity to enjoy a life of freedom, plenty and individual choice — privileges earned by our forefathers.

However, we have a responsibility to perpetuate these privileges. They are not given us "for free". We must earn them ourselves. Individual devotion to The American Way is as important today as it was in 1776.

Today's graduates must shoulder this responsibility, or there will be no freedoms to bequeath tomorrow's students.

As Goethe, the poet, said, "What you have inherited from your fathers, earn over again for yourselves or it will not be yours."

Engaged?

Now for the most romantic shopping trip of your life.

You'll always remember the fun, the romance of selecting your engagement ring together—but it's time for *good sense*, too. And doesn't it make good sense to rely on the knowledge and trustworthiness of your jeweler when buying a diamond? At our store we have earned the coveted title: *Registered Jeweler, American Gem Society*—awarded annually only to jewelers who qualify on the basis of gemological knowledge and business integrity. It costs no more to buy here, and it will be such a proud beginning to your long, happy marriage.
